Career Objective

Aspiring software developer with a strong foundation in Java and web technologies, aiming to contribute to innovative solutions while continuously advancing technical and problem-solving skills.

Internships & Trainings

- **AI Internship** – TechSaksham (Edunet Foundation, AICTE, Microsoft & SAP CSR Initiative) Feb – Mar 2025
Developed AI models for real-world problem-solving using Microsoft tools
- **Ethical Hacking & Penetration Testing** – CDAC, Noida Dec 2024 – Jan 2025
Gained skills in vulnerability assessment, exploitation, and network security
- **Web Development Intern** – Octanet Services Pvt. Ltd Jan – Feb 2024
Built a dynamic and responsive components using React.js
- **Web Developer** – TechnoHacks EduTech Jul – Aug 2023
Built static and interactive websites using HTML, CSS, and JavaScript
- **Full Stack Java Developer Training** – Cetpa Infotech, Noida Jul – Aug 2023
Built Spring Boot applications connected to MySQL database

Projects

- **Portfolio:** HTML, Tailwind CSS, JavaScript, ReactJS [Live](#) | [GitHub](#)
Created a responsive portfolio with modern UI. Personal portfolio showcasing skills, projects, and contact Details
- **Tourism Website:** HTML, Tailwind CSS, JavaScript [Live](#) | [GitHub](#)
Designed modern UI and responsive layout for a tourism portal
- **Airline Management System:** Java Swing, MySQL Database [GitHub](#)
Desktop GUI for flight booking with admin and user modules
- **Car Rental Website:** React.js, Tailwind CSS, MongoDB [GitHub](#)
Built a Full-featured rental platform with user Authentication, bookings, and listings
- **View more Projects on GitHub**

Technical Skills

- **Languages:** Java, C, JavaScript, Python(basic)
- **Web Technologies:** HTML, CSS, Tailwind CSS, React.js, Bootstrap, Node.js, Spring Boot,
- **Databases:** MySQL, MongoDB(basic)
- **Tools & Platforms:** Git, GitHub, VS Code, Apache Netbeans IDE 24

Certifications

- **NPTEL:** Data Structures & Algorithms using Java – 71%
- **CDAC, Noida:** Ethical Hacking & Penetration Testing
- **TechSaksham:** Transformative Learning in AI (Microsoft & SAP CSR)
- Full Stack Java & React | SQL Projects for Beginners | Programming in Python

Achievements

- **Earned Microsoft Learn Badges:**
 - Explore Azure App Service
 - Configure Web App Settings
 - Responsible Generative AI
 - Azure Open AI Fundamentals
- Finalist, **Consigliere Case Study** – InnovateX'23 at **NSUT, Delhi**
- Participated in **TalentHunt@IET** – IET Coding Club
- Participated in **The Talent Pool 2022** – organized by **TNP Club of Institute of Engineering and Technology, Agra**

Education

Bachelor of Engineering in Computer Science & Engineering

Dr. Bhimrao Ambedkar University, Agra, India

Pursuing with CGPA: **6.5/10**

Relevant Coursework: DSA, OOPs (Java), DBMS, Operating Systems, Software Engineering, AI, C Programming

Intermediate – Janta Inter College, Jewar, (UP Board)

High School – Seth Tularam Saraswati Vidya Mandir, Jewar, (UP Board)

December 2021 – June 2025

2019 – 2020

2017 – 2018
